SUMMARY

IT Graduate with 5+ years of international cotton trading experience, combining business expertise and data analytics to deliver actionable insights and support data-driven decisions.

WORK EXPERIENCE

Dada sons Private Limited

Karachi | June 2021- Present

Import & Sourcing Analyst | Quality Analyst

- Evaluated cotton offers from international shippers based on price, quality, buyer requirements, shipment details, and local and international market trends to shortlist suitable sourcing options.
- Analyzed and shortlisted supplier offers received through email and WhatsApp, preparing concise recommendations for buyers.
- Conducted pre- and post-shipment physical cotton quality inspections and sampling, ensuring shipments met required quality specifications.
- Handled quality-related claims by reviewing shipment quality, coordinating with relevant parties, and supporting claim resolution.

E-Commerce Data & Listing Assistant — Freelance

Remote | July 2026 – Present

- Maintain and update garment product listings while tracking available, sold, and ordered status.
- Organize product and inventory data to maintain consistency and accuracy across the platform.
